Notes: [@] The statistics on creative industries in Hong Kong presented herein are not comparable to the statistics on the cultural and creative industries as released by C&SD in view of the difference of the scope.

* The figures in respect of a handful of creative sectors in the reference year in 2017 and onwards cannot be comparable to those prior to 2017 following C&SD's review of the coverage of cultural and creative industries conducted in 2021.

[^] Breakdowns by creative sectors may not add up to sub-total due to rounding.
